

DERAX WG-1224S0503C2

Item Features

- * Design meeting CE/RoHS
- * High efficiency, up to 100, 000 hours of service life
- * Non-isolated between input and output
- * **Support Apple, Huawei, Samsung and iPad/phone charging**
- * 100% full load burn-in test
- * Waterproof level IP68,
- * ABS flame retardant plastic shell, epoxy potting
- * 100% full stable output
- * Cooling by free air convection.
- * Safety Protection: Low-voltage, **Reversing polarity**, Over-voltage, Over-current, Short-circuit, and over temperature.
